What book comes after the sword of shannara

Brave explorers led by the last Druid, Walker Boh,...Harrowing confrontations with the merciless Ilse W...The High Druid of Shannara trilogy draws to a thri... Now a TV Series Terry has written more than 30 books, three-quarters of which are related to one another. It can be confusing as a new reader where to start without spoiling the adventure. Where should I start reading Shannara? When is the best time for me to read the prequel First King of Shannara without spoiling the Heritage series? Should I start reading the books in published order or chronological order? These are questions that come into the website often and they are why this page of the swanky website exists. It's not only difficult for new readers. It can even be confusing for long-time readers returning to the series. To help aid both sets of readers, presented here are two different lists: Caution: It is important to make a note right now for new readers. If as a new reader you read the novels in chronological order, you will be significantly spoiling your foray through Terry's work. First King of Shannara, despite being a prequel to The Sword of Shannara, is best read after you have finished The Heritage of Shannara series. New Readers The Original Shannara Novels The Sword of Shannara - In the Shadow of the Warlock Lord - first 1/3 of The Sword of Shannara - The Druids' Keep - middle 1/3 of The Sword of Shannara - The Secret of the Sword - last 1/3 of The Sword of Shannara The Elfstones of Shannara Aftermath (short story in Small Magic) The Wishsong of Shannara A Shannara Novella Indomitabile - An epilogue to The Wishsong of Shannara A Shannara Graphic Novel The Heritage of Shannara The Scions of Shannara The Druid of Shannara The Elf Queen of Shannara The Talismans of Shannara The Last Ride (short story in Small Magic) A Shannara Prequel The Voyage of the Jerle Shannara Ilse Witch Antrax Morgawr High Druid of Shannara Jarka Ruus Tanequil Straken Genesis of Shannara Armageddon's Children The Elves of Cintra The Gypsy Morph Legends of Shannara Bearers of the Black Staff The Measure of the Magic The Dark Legacy of Shannara Wards of Faerie Bloodfire Quest Witch Wraith Paladins of Shannara Allanon's Quest (e-short story) The Weapons Master's Choice (e-short story) The Black Irix (e-short story) Defenders of Shannara The High Druid's Blade The Darkling Child The Sorcerer's Daughter The Fall of Shannara The Black Elfstone The Skaar Invasion The Stiehl Assassin The Last Druid (forthcoming October 20, 2020) Revisiting Readers Genesis of Shannara Armageddon's Children The Elves of Cintra The Gypsy Morph Legends of Shannara Bearers of the Black Staff The Measure of the Magic A Shannara Prequel The Original Shannara Novels Allanon's Quest (e-short story set before The Sword of Shannara) The Sword of Shannara - In the Shadow of the Warlock Lord - first 1/3 of The Sword of Shannara - The Druids' Keep - middle 1/3 of The Sword of Shannara - The Secret of the Sword - last 1/3 of The Sword of Shannara The Black Irix (e-short story set after The Sword of Shannara) The Elfstones of Shannara Aftermath (short story in Small Magic) The Weapons Master's Choice (e-short story set before The Wishsong of Shannara) The Wishsong of Shannara A Shannara Short Story Indomitabile - An epilogue to The Wishsong of Shannara A Shannara Graphic Novel The Heritage of Shannara The Scions of Shannara The Druid of Shannara The Elf Queen of Shannara The Talismans of Shannara The Last Ride (short story in Small Magic) The Voyage of the Jerle Shannara Ilse Witch Antrax Morgawr High Druid of Shannara Jarka Ruus Tanequil Straken The Dark Legacy of Shannara Wards of Faerie Bloodfire Quest Witch Wraith Defenders of Shannara The High Druid's Blade The Darkling Child The Sorcerer's Daughter The Fall of Shannara The Black Elfstone The Skaar Invasion The Stiehl Assassin The Last Druid It is also important to note that Terry has purposefully written most of his series to be read at any time by new readers. He writes in large generational gaps between series, telling the story of all new characters each time out. It means if a new reader wants to start with Bearers of the Black Staff—despite it being wholly out of order with both lists above—they will be able to understand perfectly what is going on and enjoy the novel. The two reading lists above are merely a guide to aid readers in not spoiling themselves. And to have a richer experience while reading all of Terry's work. Happy reading! He started writing fiction novels from the time he was in high school.He attended Hamilton College, where he got his B.A. in English literature in 1966. Next, he went to the Washington and Lee University, where he got his law J.D. degree.While in college, he got to read a Tolkien novel, and this is the genre he started writing since then as well. After all that writing for himself, he published his debut novel, The Sword of Shannara, in 1977. He wrote the next two sequels to Shanara, which together would become known as the original Shannara series, following which he started a new series, unrelated to Shannara, called Landover.Over the years, he alternated between writing Shannara stories and Landover books.The World and Void series, while it is considered urban fantasy, is, in fact, the ultimate prequel to the Shannara Chronicles. However, it does not actually include any characters from Shannara.The Shannara series takes place in a post-apocalyptic world of our own called The Four Lands. Our Earth has been destroyed in a chemical and nuclear holocaust called The Great Wars, so the futuristic world Shannara is set in is very different from our own. In this world, magic and primitive technology are available and used by the people. The world is populated by elves, druids, and humans alike.The Shannara Chronicles DVD (Shanara Chronicles), 2016The Shannara Chronicles have been made into an MTV television series with the name Shannara Chronicles, starting in 2016. The show is an adaptation of The Elfstones of Shannara, the second Shannara book, since it included several strong female characters which were not present the author's debut novel.In addition, the first book had no love story, which is a recipe for losing all the female viewers of the TV show.The second season of the TV series started airing in 2017 and is not based on any specific Terry Brooks book. While season one was produced by MTV, season two went to Spike.The latest series, The Fall of Shannara, which will include four Terry Brooks books, will effectively end the Shannara Chronicles for good, much to the disappointment of the author's readers. Terry Brooks mentioned in an interview that "The reason I'm writing the end is because I don't want someone else to."Without sounding too morbid, it also means that now the author Terry Brooks can finally start on his long promise of writing the story's past since the story's future is already done.Currently, Terry Brooks lives in NW Oregon with his wife.Praise for Terry BrooksTerry's place is at the head of the fantasy world (Philip Pullman)I can't even begin to count how many of Terry Brooks's books I've read (and re-read) over the years (Patrick Rothfuss)The Sword of Shannara is an unforgettable and wildly entertaining epic, animated by Terry Brooks's cosmically generative imagination and storytelling joy. (Karen Russell)If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle. (Peter V. Brett)If you haven't read Terry Brooks, you haven't read fantasy (Christopher Paolini)Terry's place is at the head of the fantasy world. (Phillip Pullman)Terry Brooks is a grandmaster of the fantasy genre, and his latest will both captivate and surprise readers. . . . It's truly magical.
